### **Gauthier Duché**

has successfully completed the ***Hanken Teacher Mentor Program*** during September 2023 – May 2024 as a Mentor.

### ***Program description***

The Hanken Teacher Mentor Program is designed to improve the quality of teaching and student learning at Hanken School of Economics through collaboration and co-creation practices between new and more experienced faculty members. During the mentor program, *mentors* provide guidance for their *mentees* in different aspects of teaching and learning ranging from practicalities to deeper questions in teaching/pedagogy. At the same time, the Hanken Teacher Mentor Program allows mentors to reflect on their current teaching practices and philosophy through discussions with their mentees.

### ***During the program the participants have***

- Developed their teaching/pedagogy philosophy and practices.
- Expanded and strengthened their professional network.
- Contributed to improving the overall quality of teaching and student learning at Hanken School of Economics.
