Kjære kollegaer / Dear colleagues,

This autumn, our programme on Språkforum has **phraseology** as its theme, and we are very happy to announce the following guest talks, which are open to all interested:

Monday 12 November, 1315-1445, Room HG O-101.

Dr Martti Mäkinen (Hanken School of Economics, Helsinki):

"What can study of phraseology tell us about learner academic writing and the writer identities in making?"

Monday 3 December, 1315-1445, Room HG O-101.

Dr Piotr Pezik (University of Łódź):

"Phraseology extraction and detection. From theory to applications."

Vel møtt!

Merja Stenroos, Kjetil V. Thengs and Oliver Traxel
